**BARROW HILL ROUNDHOUSE RAILWAY CENTRE
PROUDLY PRESENTS
RAIL ALE 2019**

Welcome to Rail Ale, quite rightly billed as “the most atmospheric beer festival of the year”! You’ll find plenty of beers on offer this year – over 350 – to quench the thirst, sourced from all around the UK including many brewed in South Yorkshire and Derbyshire. But of course that’s not all. As well as a great range of ciders and craft beers, this year’s event also sees the return of the incredibly popular Rail Ale Gin Palace and – new for 2019 – the Prosecco & Wine Bar.

For music lovers there will be a fabulous range of live music in the marquee and on the main stage from jazz and brass through acoustic, country, funk and soul to rock and roll, and featuring some of the best musical talent in the region. Returning for a third year due to their immense popularity and headlining on Friday night will be The Dukes of Pork, a band guaranteed to get everyone up and dancing the night away. Rail Ale 2019 will come to a rocking close on Saturday with Sheffield’s most famous export after Henderson’s Relish – The Everly Pregnant Brothers! You’ll find the music running order in this programme so you don’t miss out on any of it.

Don’t forget to visit the Food Court which has even more food stalls than ever this year serving a wide variety of foods to suit every taste.

Our ever popular Rail Ale shuttle trains will be running up and down the site throughout the day on Friday and Saturday until 5.00pm. So sit back and relax and let the train take the strain as you sup your drink of choice! Our free bus service will also run a regular service between Chesterfield Railway Station (picking up at the Derby Tup pub in Whittington) and the Roundhouse throughout the three days of the Festival.

A word now about our unique venue, the only remaining operational roundhouse in Great Britain, which has been such an amazing home to Rail Ale for the past nineteen years. This wonderful Grade II listed building is still used today to stable and service the classic steam and diesel locomotives that serve as an unusual backdrop to the bars for the Festival. In 2016 the Roundhouse was awarded £1.17m by the National Lottery Heritage Fund to fund vital restoration works as well as the construction of a new entrance building including café and toilets. The new building was designed specifically to fit in with the marquee arrangements for Rail Ale!

Now back to Rail Ale and a big thank you goes to this year’s main sponsors: Everards, Fuller’s and Greene King; and our supporting sponsors: Batemans, Blue Monkey, Castle Rock, Cornish Orchards, Marstons, Oakham Ales, Ossett Brewery, Timothy Taylor’s and Titanic. Look out for their beers and ciders on the hand pumps on the Main Festival Bars and on the Cider Bar.

**CAMPAIGN
FOR
REAL ALE**

Thanks must also go to all our ticket outlets for their support of this year's event and CAMRA with many members from near and far helping at this year's Festival. A big thank you to all the volunteers behind the bars and behind the scenes who have worked so hard to make this year's event another great celebration.

For your safety, please keep within the designated areas which are clearly marked and do not attempt to enter barriered-off areas. Bringing alcohol into the Festival is strictly forbidden.

Bag searches may be carried and alcohol, if found, will be confiscated. Alcohol can only be taken off site in suitable containers which are available to purchase. Please also note that although we welcome children during the day under 18s are not allowed on site after 5.00pm under the terms of our licence. We operate a 'Challenge 25' policy.

Allergy information for all products served at the Festival is available upon request. Please be aware that because this programme is printed several days before the Festival opens, we cannot guarantee that all the rinks listed here will be available. Please ask the bar staff for guidance if you have any questions.

We hope you have an enjoyable day. We always welcome feedback so that we can make the Festival even better. If you have any comments, please email enquiries@railalefestival.com.

Now for an advance warning of a must-not miss event....Next year we celebrate 20 years of Rail Ale on 14th, 15th and 16th May 2020! If you think this year's Festival was good, you're going to love what we've got planned for next year. So get the dates in your diary now and we look forward to seeing you again in 2020! Don't forget you can find further details about Rail Ale on our website www.railalefestival.com.

Talented composer and keyboard wizard who counts Rick Wakeman amongst his musical heroes, Adam will start off Friday's Rail Ale music at a gentle pace to get you in the mood.

2.15 *Melissa Cotton*

A unique singer and prolific song writer, armed, literally, with a spell book of songs and a ukulele!

A boy girl duo of mature years performing acoustic tunes past and present with a jazzy, sultry musical twist. Enjoy with a quality beer!

3.45 *Kings of Rome*

Martin plays an Ozark guitar bouzouki. Ian plays a Martin 000-16GTE acoustic guitar, a Dave Freshwater mandocello and a Crafter green mandolin. The other Martin plays a mean fiddle, piano accordion and sings too. With added cajon by Bob "the big box basher" Carlisle. Sit back, relax, enjoy!

RAIL ALE MUSIC SATURDAY 18th MAY

7.30 **Highway Child**

A soul and blues review band from Sheffield and a main stay of the Yorkshire music scene, playing many festivals and gigs across the region and the UK. A band not to be missed if you love soul, funk, blues and having a good time. Boasting a classic rhythm section and a four-piece brass ensemble, the band's sound is as big and as polished as the songs they play.

8.45 **Steve Littlewood**

Former bass player, comedian, impressionist and Freddie Mercury tribute artist. Now bringing all of his 'talents' together as an acoustic guitar wrestler and entertainer. Well known covers with a dollop of fun - acoustic therapy for everyone.

9.30 **Everly Pregnant Brothers**

We've saved the best until last – Sheffield's finest export (after Hendo's of course). In their own words they are a power house of parody fuelled on best bitter, pork pies and raucous gigs. They regularly play to sellout crowds and are rapidly growing a cult following far and wide. Their humour and language is as broad as their lead singer Big Shaun which is all part of their charm as is the sing-a-long nature of their gigs.

GIN**ABV%****CHESTERFIELD CANDY FLOSS (Chesterfield) 40.0%**

Strawberry jam and plump raspberries, black pepper, a hint of almond nuttiness, a burst of sugary sweetness (although not enough to completely overpower the rest of the flavours) and soft vanilla. Strawberry juiciness balancing juniper bite and a hearty whack of candy floss brightness all work together wonderfully.

CHESTERFIELD LEMON SHERBERT (Chesterfield) 40.0%

A zesty and sweet tippie with a base of Chesterfield Dry Gin, featuring botanicals including juniper, coriander, angelica, orris root, cassia bark, ginger, cardamom, hibiscus and lemon. A lot of lemon.

CHESTERFIELD POMEGRANATE (Chesterfield) 40.0%

With a base of Chesterfield Dry Gin, Pomegranate is a lovely fruit-forward dry gin. The distilled pomegranate imparts a fruity depth, alongside traditional botanicals such as piney juniper, coriander and cardamom.

FIFTY POUNDS (London) 43.5%

On the nose it is classic in character with a predominant bouquet of juniper and coriander, balanced by its citrus and spice notes. On the palate it is smooth but complex, opening with juniper, but followed by the citrus constituents, and a hint of spice and earthiness. This gives way to a long, fresh finish, that's clean, dry and with a touch of heat.

KING OF SOHO (London) 42.0%

Created as a tribute to the original 'King of Soho' Paul Raymond by his son Howard. This super premium gin is bespoke, smooth and full-bodied; soft juniper, coriander, with a high presence of citrus botanicals including grapefruit peel, balanced by angelica root and cassia.

MARYLEBONE LONDON DRY (London) 50.2%

Made using a combination of botanicals including juniper, lime flower, lemon balm, clove, liquorice, chamomile and grapefruit. Floral citrus blossom and aromatic chamomile, with underlying hints of clove and orange on the nose but the finish is anise, hot clove and zesty grapefruit peel.

MASON'S DRY YORKSHIRE TEA EDITION (Bedale) 42.0%

Quirky yet delicious. Delicate and fresh upon the palate, with a citrus sharpness hitting the senses and fresh aromas that swirl around. Plenty of Yorkshire Tea flavour develops on the palate, as well as fresh aniseed, cardamom and pepper notes before the tea returns for the long finish.

GIN**ABV%****MONKEY 47 DRY (Germany)**

47.0%

An unusual gin from the Black Forest containing a unique ingredient. Cranberries! The 47 comes from the number of botanicals that go into this unique gin and the fact it's bottled at a healthy 47%. Predictably complex, this is a robust and powerful gin with plenty of spice, fruit and herb flavours. It's very well structured with a citrus fresh start segueing into pine and wood notes for a drying finish.

PEAKY BLINDERS SPICED DRY (Stourbridge)

40.0%

A full-bodied gin named after the Peaky Blinders, a street gang from the late 19th/early 20th Century. Ginger and black pepper make for a spicy opening, though well balanced by ample helpings of fresh citrus. The finish is oily juniper and a hint of eucalyptus.

ROKU JAPANESE (Japan)

43.0%

Made using a selection of botanicals, including six Japanese botanicals that provide a whistle-stop tour of the four seasons. These include sakura leaf and sakura flower for spring, sencha tea and gyokuro tea for summer, sansho pepper for autumn and yuzu peel for winter. Traditional gin botanicals also feature including the likes of juniper, orange peel, lemon peel, coriander and cinnamon, among others.

SHARISH BLUE MAGIC (Portugal)

40.0%

A bright blue gin - the magnificent colour comes from extracts of a flower known as blue pea which, when mixed with tonic, turns pink! Botanicals also include juniper, coriander, angelica root, ginger, cinnamon, cardamom, lemon peel, strawberry and raspberry. Taste is quite spicy at first; cinnamon and more ginger followed by waves of lemon and angelica and a burst of juicy berry notes later on.

SHEEP'S EYE (Whitby)

42.0%

Distilled with ten botanicals including juniper, celery seed, black pepper and thyme, infusing them in spirit before re-distilling. Crisp and refreshing finish with some peppery warmth lingering.

SHEFFIELD DRY (Sheffield)

42.0%

The first gin to be produced in Sheffield for over 100 years, a premium gin combining a selection of locally-sourced ingredients to create a unique taste which reflects the authenticity and boldness of its birthplace. An intriguing blend of fennel, cardamom and gentian root create an herbaceous character and smooth flavours.

GIN**ABV%****SIR ROBIN OF LOCKSLEY (Sheffield)**

40.5%

One of the very few (if not only) true English sipping gins, named in honour of a favourite Yorkshire lad and local Sheffield legend, Robin Hood. Up front juniper with more delicate aromas of elderflower bubbling through. Deliciously smooth and round on the palate. Warm cassia notes soothed with dandelion. Pink grapefruit adds an underlying sweetness and lingering citrus finish. Balanced yet distinctively unique.

STEAMPUNK PIRATE - RASCAL STRENGTH (Gateshead)

45%

This release from the Steampunk team takes inspiration from the success of their original Gin and Pirates which has allowed them to produce a higher strength gin which has notes of tangy pink grapefruits, lemon, orange and spicy juniper throughout. Made with juniper, orris root, liquorice, star anise, lemon, orange and grapefruit zest.

TANQUERAY FLOR DE SEVILLA (Edinburgh)

41.3%

A unique distilled gin made with Sevilla orange essences and other fine botanicals. Inspired by Charles Tanqueray's original recipes and the ripening oranges growing on the trees in sun drenched Seville, the result is a perfect balance of the uniquely bitter sweet taste of Seville oranges and the complexity of Tanqueray London Dry Gin.

THE KURE (Whitby)

38.0%

An intense floral gin made with a selection of botanicals including lavender, cucumber, rocket and cardamom, among others. A big wave of freshly picked lavender sits at the fore, backed up by fragrant citrus and a vegetal hint of cucumber.

WARNER'S RHUBARB (Northamptonshire)

40.0%

The original rhubarb gin. Inspired by a crop of rhubarb grown in Queen Victoria's own kitchen garden, one third of this bottle is freshly pressed rhubarb juice. Fresh, tangy rhubarb explodes on the nose with a pinch of black pepper. The palate gives complex and mouth-watering rhubarb with cardamom and sweet orange. Rhubarb returns with cinnamon for a long, sweet finish.

WHITLEY NEILL PARMA VIOLET (Liverpool)

43.0%

A luxurious handcrafted gin of exceptional quality with bright vibrant flavours of juniper followed by an herbaceous floral note from the violet. The aromatic violet flower infuses a subtle floral note to the smooth English gin base for a vibrant intense taste of Italian elegance.

BREWED IN THE PEAK DISTRICT

How it all began...

In early 2017, a chemist, a farm girl, 2 kids, a labrador, and a few cows & sheep, set out to convert their milking parlour into a micro brewery.. And they did..

Now using water from their own bore hole, filtered through the strong limestone hills of the peak district, and with the flair of a chemist as unique as his beers, they have created the 'AAA' range of craft ales.. The cows hope you enjoy the beer as much as they enjoy the grains...
